

UART_send_failure_configuration
_status

```
graph LR; A[UART_send_failure_configuration_status] --> B[UART_send]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'UART_send_failure_configuration' on the top line and '_status' on the bottom line. The right box is white with a black border and contains the text 'UART_send'. A blue arrow points from the right side of the gray box to the left side of the white box.

UART_send
